POLICY	
<ol style="list-style-type: none"> <li>Applicants must submit certified copies or verified originals of credential documentation that demonstrate they meet the entry requirements for the course, as defined in the approved course admission criteria.</li> <li>SCEI-HE is responsible for ensuring submitted credential evidence is appropriately verified and that a written record of this verification is recorded.</li> <li>Where any question of authenticity or detail arises, SCEI-HE will verify the documentation at hand as described in the procedure below.</li> <li>The admission of a student in a course will be discontinued, and any qualifications awarded rescinded by SCEI-HE,</li> </ol>	

where falsified documentation has been submitted for the assessment of admission to a course. Such cases will be investigated under the Academic Integrity Policy (HEPP62). Where required, SCEI-HE may notify relevant external authorities, including regulatory bodies or law enforcement, in accordance with its legal obligations.

5. SCEI-HE shall attend to a request for verification of a student's issued credential made by an organisation /agency.
6. SCEI-HE has the right to reject the request for verification of a student's issued credential based on an incomplete form or other situations. SCEI-HE will ensure any release of student information for verification purposes complies with the Privacy Act 1988 (Cth) and internal privacy and records management policies. Verification will only be conducted with written consent from the student, unless otherwise required by law.

## PROCEDURE

### 1. Procedure for verification of qualifications submitted by applicants

- 1.1 Students' qualification(s) submitted as required for admission into a course may be verified by student administration.
- 1.2 The admissions officer will verify the applicant's qualification(s) in accordance with the issuing education provider's verification processes.
  - 1.2.1 Where the applicant has requested credit transfer or Recognition of Prior Learning (RPL), verification must also be conducted in line with the Credit and RPL Policy and Procedure (HEPP34), and evidence must be documented accordingly.
  - 1.2.2 This may be electronically, through a credential verification service, or manually by completing and submitting a verification request form and any payment required.
  - 1.2.3 The information sought will be confirmation from the education provider whether the applicant is a graduate of that education provider and the qualification credential issued.
  - 1.2.4 Confirmation from the education provider of the authenticity of the submitted qualification credential.
  - 1.2.5 Verification of qualifications submitted by applicants must be completed prior to issuing an unconditional offer of admission.

### 2. Procedure for verification of qualifications upon request from another organisation

- 2.1 An organisation seeking verification of a student's credential issued by SCEI-HE must submit the request via email to [info@scei-he.edu.au](mailto:info@scei-he.edu.au) or post to 155-161 Boundary Road, North Melbourne, VIC, 3051.
- 2.2 Upon receipt of a completed and authorised form, student administration will conduct a search in the Student Management System to determine the course completed and the issue date of the credential.
- 2.3 Where the search is successful the information provided to the requesting organisation will be limited to the code and title of the course, period of enrolment and credential issue date via email.
- 2.4 Where the search is unsuccessful the requesting organisation will be informed via email.
- 2.5 The processing time upon receipt of the request from an organisation is **5 working days**.
- 2.6 Once the request is finalised, student administration will scan and upload the documentation to the student file on the Student Administration System (Paradigm).
- 2.7 All verification records must be retained and managed in accordance with SCEI-HE's Records Management Policy and any applicable legal or regulatory requirements, including the Higher Education Standards Framework (7.2.2).
